November, 2020

Dear Friend of Family Promise,

The year 2020 has turned out to be very challenging as we all adjust to living with the pandemic. Family Promise of the Capital Region has worked very hard to meet these challenges by continuing to provide shelter at our Day Center with our participating congregations and volunteers organizing meal delivery. Since opening our doors in April 2015, we have provided shelter to 42 homeless families in the Capital Region. Each family has received individualized, community-based, wraparound support needed to secure affordable housing. We have also assisted more than 100 families on the verge of homelessness.

We are looking forward to our annual fall event, “**Doors to the Future – Reframed - A Five-Year Anniversary Celebration.**” This virtual celebration will be **livestreamed on Thursday, December 3, 2020 at 7pm** and will honor the families we have served since our mission began in April 2015. Leading up to our celebration, we will offer the option to participate in a virtual scavenger hunt that will feature trivia about local landmarks and our participating congregations.

Everyone who donates to the event or participates in the virtual scavenger hunt will be entered into a gift card prize drawing.
